

The work under this Contract consists of excavating to the limits of Parking Lots A and B to an approximate depth of 12 inches and stockpiling the loam onsite as directed by the Town of Bridgewater, or the loam may be bucketed into a DPW truck, where it will be hauled offsite. The parking lot excavation shall be filled and compacted with gravel materials as specified on the plans. The Parking lots shall be staked out by the Town of Bridgewater.

Submittal Information:

Sealed bids for the Old State Farm Trails Project to construct parking lots A and B, until 12:59 PM,
