REQUEST FOR PROPOSAL

BRIDGEWATER WWTF – PHASE 2 UPGRADES

TERTIARY CLOTH DISK FILTER PHOSPHORUS REMOVAL SYSTEM

TOWN OF BRIDGEWATER, MASSACHUSETTS

I. INVITATION TO SUBMIT

A. CURRENT SOLICITATION OF PROPOSALS

1. The Town of Bridgewater (OWNER) through its Consulting Engineer, AECOM (ENGINEER), is in the process of evaluating various cloth disk filter systems for phosphorus removal at the Bridgewater, MA WWTF. The OWNER is hereby soliciting proposals from manufacturers of full-scale municipal cloth disk filtration systems (PROPOSER) that have demonstrated phosphorus removal performance meeting the requirements of this RFP for incorporation into the design and construction of the Phosphorus Removal Upgrade for their Wastewater Treatment Facility (WWTF) Phase 2 Upgrades.

2. A copy of the electronic request for proposals (RFP) documents is available for download online at www.Projectdog.com under Project ID 262521. Any addenda, if issued, shall be posted to www.Projectdog.com.

3. The OWNER reserves the right to accept and/or reject any and all proposals and to waive any information to the extent allowed by law, and to make the award as deemed to be in the best interest of the Town.

4. All proposals are subject to applicable bidding laws of Massachusetts, including General Laws Chapter 30, Section 39M, as amended.

5. No contract will be awarded by the Town as a result of this solicitation. The selected manufacturer will be identified as the selected supplier for inclusion in the future construction contract documents for the Bridgewater WWTF Phase 2 Upgrades to be publicly bid under Chapter 149 of the Massachusetts General Laws. The selected manufacturer's equipment shall be furnished through and contracted with the future General Contractor awarded the public construction contract.

B. RFP SCHEDULE

1.	RFP to be issued to Vendors:		October 26, 2026
2.	Final date for Submission of Requests for Exceptions or Questions on this RFP:	2:00 PM Local Time	November 11, 2026
3.	Final Date for Submission of Proposal:	2:00 PM Local Time	November 23, 2026

TOWN OF BRIDGEWATER, MASSACHUSETTS

ADDENDUM NO. 1

To

BRIDGEWATER WWTF – PHASE 2 UPGRADES

TERTIARY CLOTH DISK FILTER PHOSPHORUS REMOVAL SYSTEM

QUESTIONS:

1. Question: Specification Section 11323 Chemical Diaphragm Metering Pumps and Appurtenances, paragraph 2.03.A.1.a indicates IWAKI America Inc. as an acceptable manufacturer. We would like to request consideration of Blue-White as an approved-equal manufacturer for the ferric chloride metering pumps.

   Answer: The Town of Bridgewater has standardized all chemical metering pumps to be by IWAKI America Inc. at the 100 Morris Ave. WWTF. Accordingly, only IWAKI America Inc. chemical diaphragm metering pumps will be accepted and alternate manufacturers will not be permitted.

Erik Meserve, P.E.
