

Bridgewater is a vibrant town located in the Commonwealth of Massachusetts, situated about 25 miles south of Boston. Known for its rich history, scenic landscapes, and strong sense of community, Bridgewater offers a blend of small-town charm and modern amenities. The town is home to a mix of historic architecture, local businesses, and recreational areas, making it an appealing destination for both residents and visitors. With a commitment to education, Bridgewater is also home to Bridgewater State University, the state's largest public university. Its proximity to major highways and urban centers makes Bridgewater an ideal place for those seeking a balance of peaceful suburban life and access to greater metropolitan opportunities.

The following outline provides a general description of the services to be provided by the Consultant. This outline is not necessarily all-inclusive, and the Consultant will include in the proposal any tasks, alternatives, or services deemed necessary to satisfactorily complete the project. Consultants are encouraged to bring both industry expertise and creative ideas tested elsewhere to help the community design and implement an approach that best suits the Town.

The Town of Bridgewater needs a consultant to develop our Self-Evaluation and Transition Plan that wholly complies with the requirements of the Americans with Disabilities Act of 1990 (ADA). The Town of Bridgewater intends to enter a contract for professional services with an experienced and qualified consultant to provide these services.
