SECTION 00020

INVITATION FOR BIDS

The Town of Bridgewater invites sealed bids for Roof at Plymouth St Fire Station.

The bid documents may be obtained electronically by emailing: Procurement Officer at procurement@bridgewaterma.org where they are publicly available as of September 16, 2026 at 8:00 AM.

Sealed bids labeled "Roof at Plymouth St Fire Station" are due on or before 11:00 AM **on Tuesday,** October 6, 2026 **at 1185 Pleasant St, Bridgewater, MA 02324**. Bids will be opened immediately and read out loud. No electronic bid submissions will be accepted.

Pre-Bid Conference and Site Visit will be held at Bridgewater Fire Department, 774 Plymouth St Bridgewater, MA 02324 on Monday, September 28, 2026, at 10:00 AM. It is imperative that all prospective bidders have a representative in attendance.

A performance bond in an amount equal to 100 percent of the total amount of the contract price with a surety company qualified to do business in the Commonwealth of Massachusetts will be required for the faithful performance of the contract as well as a labor and materials bond in an amount equal to 100 percent of the total contract price.

This procurement is subject to M.G.L. c. 149, § 44A(2)(C), and the competitive bidding procedures set forth in M.G.L. c. 30, § 39M, as applicable.

Attention is directed to the minimum wage rates to be paid as determined by the Commissioner of Labor and Workforce Development and the weekly payroll record submittal requirements under the provisions of Massachusetts General Laws, Chapter 149, Section 26 through 27D inclusive.

Selection of the contractor will be based upon bidder qualifications, including evidence of past performance in similar projects, and bid price. The contract will be awarded to the bidder deemed by the awarding authority to be the lowest responsible and eligible bidder.

The bidder agrees that its bid shall be good and may not be withdrawn for a period of 30 days, Saturdays, Sundays and legal holidays excluded, after the opening of the bids.

The Town reserves the right to waive any informalities, to accept or reject, in whole or in part any or all bids, or take whatever other action may be deemed to be in the best interest of the Town.

The Town of Bridgewater

SECTION 00100

INSTRUCTIONS TO BIDDERS

1. Receipt and Opening of Bids

The Town of Bridgewater, Massachusetts, herein called the Owner or Awarding Authority, will receive sealed Bids for the project known as Roof at Plymouth St Fire Station.

Sealed bids shall be submitted as specified in Section 00020, INVITATION FOR BIDS, and will be publicly opened and read aloud immediately following the deadline for receipt of bids.

Any bid may be withdrawn prior to the above scheduled time for the opening of bids or authorized postponement thereof. Any bid received after the time and date specified will not be considered. The bidder agrees that its bid shall be good and may not be withdrawn for a period of 30 days, Saturdays, Sundays, and legal holidays excluded, after the opening of bids.

2. Location and Work to be Done

The Work consists of furnishing all labor, materials, equipment, supervision, permits, disposal, and incidentals necessary to remove and replace the existing roofing systems at the Bridgewater Fire Department; and all work incidental thereto, in accordance with the Specifications and conceptual plans attached hereto.

The successful roofing contractor shall serve as the prime Contractor for the entire Work and shall be responsible for all incidental work and any subcontractors necessary to complete the Work in accordance with the Contract Documents.

Additional drawings showing details in accordance with which the Work is to be done may be furnished by addendum from time to time during the bidding period by the Owner or its Architect/Engineer and shall then become a part of the Contract Documents.

The Contractor shall furnish all labor, services, materials, equipment, plant, machinery, apparatus, appliances, tools, supplies, and all other things necessary to do all work required for the completion of each item of the Work and as herein specified.

The Work to be done and paid for under any item shall not be limited to the exact extent mentioned or described but shall include all incidental work necessary or customarily done for the completion of that item.

3. Preparation of Bid

Each bid must be submitted on the prescribed form. All blank spaces for bid prices must filled in, in ink or typewritten, in both words and figures.

Each bid must be submitted in a sealed envelope bearing on the outside the name of the bidder, his address, and endorsed with the name of the project as specified in Receipt and Opening of Bids, above. If forwarded by mail, the sealed envelope containing the bid must be enclosed in another envelope addressed as specified in Receipt and Opening of Bids, above.

4. Bid Opening Procedure

The following requirements shall apply to each bid.Bids not meeting all the requirements for timeliness and security will be rejected; bids not meeting signature and addenda requirements will be rejected prior to checking of bid amounts.

Bids shall be filed at the place and before the time specified in Receipt and Opening of Bids, above.

Properly executed bid security shall be placed in a sealed envelope and shall be attached to the outside of the envelope containing the bid.

Bid signatures will be checked.

All addenda will be sent e-mail to all prospective bidders. All bidders shall include with their bids the written acknowledgment form provided in Section 00300,FORM OF BID.

The total dollar amount of each bid will be publicly opened and read aloud. Following the bid opening, the Owner will review the bids for responsiveness and determine the lowest responsible and eligible bidder in accordance with applicable law.

5. Modification

Any bidder may modify his bid by written communication at any time prior to the scheduled closing time for receipt of bids. Any telegraphic communication must be received by the Owner prior to the closing time, and, provided further, the Owner must be satisfied that a written confirmation of the telegraphic modification over the signature of the bidder was mailed prior to the closing time. If written confirmation is not received within two days from the closing time, no consideration will be given to a telegraphic communication.

The communication shall not reveal the bid price but shall provide the addition or subtraction or other modification so that the final prices or terms will not be known by the Owner until the sealed bid is opened.

6. Ability and Experience of Bidder

No award will be made to any bidder who cannot satisfy the Owner that he has sufficient ability and experience in this class of work and sufficient capital and plant to enable him to prosecute and complete the work successfully within the time named. The Owner's decision or judgment on these matters will be final, conclusive, and binding.

The Owner may make such investigations as it deems necessary, and the bidder shall furnish to the Owner, under oath if so required, all such information and data for this purpose as the Owner may request.

7. Conditions of Work

Each bidder must familiarize himself fully with the conditions relating to the construction of the project and the employment of labor thereon. Failure to do so will not relieve a successful

bidder of his obligation to furnish all material and labor necessary to carry out the provisions of his contract. Insofar as possible the Contractor, in carrying out his work, must employ such methods or means as will not cause any interruption of or interference with the work of any other Contractor.

8. Addenda and Interpretations

No interpretation of the meaning of the plans, specifications or other pre-bid documents will be made to any bidder orally. All information given to bidders other than by means of the plans, specifications, or by addenda, as described below, is given informally and shall not be used as the basis of a claim against the Owner.

Any clarification of requirements or requests for additional information by bidders must be made in writing and emailed to Procurement Officer– procurement@bridgewaterma.org. Only questions answered by formal written Addenda will be binding. Oral and other interpretations or clarifications will be without legal effect.

Failure of any bidder to receive any such addendum or interpretation shall not relieve such bidder from any obligation under his bid as submitted. All addenda so issued shall become part of the Contract Documents.

9. Security for Faithful Performance

Simultaneously with his delivery of the executed Contract, the Contractor shall furnish a surety bond or bonds as security for faithful performance of this contract and for the payment of all persons performing labor and materials under this contract. The surety on such bond or bonds shall be a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Owner. The bonds shall remain in force for one year after final acceptance of the work by the Owner, unless the Owner, in writing, releases the Contractor from the obligation sooner.

10. Power of Attorney

Attorneys-in-fact who sign Contract bonds must file with each bond a certified and effectively dated copy of their power of attorney.

11. Laws and Regulations

The bidder's attention is directed to the fact that all applicable State laws, municipal ordinances or bylaws, and the rules and regulations of all authorities having jurisdiction over construction of the project shall apply to the contract throughout, and they will be deemed to be included in the Contract the same as though written out in full.

12. Liquidated Damages for Failure to Enter into Contract

The successful bidder, upon his failure or refusal to execute and deliver the Contract and bonds required within 10 days after presentation thereof by the Owner, shall forfeit to the Owner, as liquidated damages for such failure or refusal, the security deposited with his/her bid, but the amount forfeited shall not exceed the difference between his/her bid price and the bid price of the next lowest responsible and eligible bidder. In case of death, disability, bona fide clerical or

mechanical error of a substantial nature, or other similar unforeseen circumstances affecting the bidder, his/her bid deposit will be returned.

13. Obligation of Bidder

At the time of the opening of bids, each bidder will be presumed to have inspected the site and to have read and to be thoroughly familiar with the Contract Documents (including all addenda). The failure or omission of any bidder to examine any form, instrument, or document shall in no way relieve any bidder from any obligation in respect of his bid.

14. Information Not Guaranteed

All information given in the Contract Documents relating to subsurface and other conditions, natural phenomena, existing pipes, and other structures is from the best sources at present available to the Owner. All such information is furnished only for the information and convenience of bidders and is not guaranteed.

It is agreed and understood that the Owner does not warrant or guarantee that the subsurface or other conditions, natural phenomena, existing pipes, or other structures encountered during construction will be the same as those indicated in the Contract Documents. It is further agreed and understood that no bidder or Contractor shall use or be entitled to use any of the information made available to him or obtained in any examination made by him in any manner as a basis of or ground for any claim or demand against the Owner or the Architect/Engineer, arising from or by reason of any variance which may exist between the information made available and the actual subsurface or other structures actually encountered during the construction work, except as may otherwise be expressly provided for in the Contract Documents.

15. Bid Security

Each bid and sub-bid must be accompanied by bid security in the form of a certified check, a bid bond, cash, or a treasurer's or cashier's check, payable to the Owner, in the amount of five (5) percent of the value of the bid. Such security of general bidders will be returned to all except the three lowest responsible and eligible bidders within five days, Saturdays, Sundays, and legal holidays excluded, after the opening of bids, and the remaining securities will be returned promptly after the Owner and the accepted bidder have executed the Contract, or if no notice of intent to award has been presented to the selected contractor within 30 days, Saturdays, Sundays and holidays excluded, after the date of the opening of bids, upon demand of the bidder at any time thereafter.

16. Right to Reject Bid

The Owner reserves the right to waive any informalities in bids and to reject any and all bids, should the Owner deem it to be in the public interest to do so.

The Owner may also reject bids which in its sole judgment are either incomplete, conditional, obscure or not responsive or which contain additions not called for, erasures not properly initialed, alterations, or similar irregularities.

17. Time for Completion

The successful general bidder must agree to commence work within ten (10) days of the date of the Notice to Proceed and to fully complete the project within the time limit stated in Section 00300, FORM OF GENERAL BID.

18. Comparison of Bids

Bids will be compared on the basis of prices set forth in the bid forms.
In the event that there is a discrepancy between the lump sum or unit prices written in words and figures, the prices written in words will govern.

19. Award of Contract

The Contract will be awarded to the lowest responsible and eligible bidder pursuant to M.G.L. c. 149, § 44A(2)(C), using the competitive bidding procedures set forth in M.G.L. c. 30, § 39M.Such a bidder shall possess the skill, ability and integrity necessary for the faithful performance of the work, shall be able to furnish labor that can work in harmony with all other elements of labor employed, or to be employed, in the work, and shall otherwise comply with all applicable provisions of law. Contract award shall be subject to availability of an appropriation for funding.

20. Statutes Regulating Competitive Bidding

This procurement is subject to M.G.L. c. 149, § 44A(2)(C), and the competitive bidding procedures set forth in M.G.L. c. 30, § 39M, as applicable.

21. Wage Rates

Prevailing Wage Rates as determined by the Commissioner of Department of Labor and Workforce Development under the provision of the Massachusetts General Laws, Chapter 149, Section 26 to 27G, as amended, apply to this project. It is the responsibility of the bidder, before bid opening, to request any additional information on Prevailing Wage Rates for those tradespeople who may be employed for the proposed work under
this contract.

22. Contractor Records

The Contractor shall comply with the provisions of Massachusetts General Laws, Chapter 30, Section 39R concerning Contractor records.

23. INSURANCE

The Contractor shall carry and continuously maintain until completion of the Contract, insurance as specified in Agreement and in such form as shall protect him performing work covered by this Contract, and the Town of Bridgewater and its employees, agents and officials, from all claims an liability for damages for bodily injury, including accidental death, and for property damage, which may arise from operations under this Contract. The Town shall be named as an additional insured. The Contractor covenants and agrees to hold the Town and its employees, agents and officials harmless from loss or damage due to claims for bodily injury or death and/or property damage arising from, or in connection with, operations under this Contract.

24. PROJECT MANAGER

The Owner may utilize the services of a project manager, whose duties shall be as set forth in an Agreement for Project Manager Services.

SECTION 00300

FORM OF GENERAL BID

Bid of _____ (hereinafter called "Bidder")*

(____) a corporation, organized and existing under the laws of the state of _____

(____) a partnership

(____) a joint venture

(____) an individual
doing business as _____

To the Town of Bridgewater, Massachusetts (hereinafter called "Owner").

Gentlemen:

A) The undersigned Bidder, in compliance with your invitation for bids for the project known as Roof at Plymouth St Fire Station, having examined the plans and specifications and related documents and the site of the proposed work, and being familiar with all of the conditions surrounding the construction of the proposed project including the availability of materials and labor, hereby proposes to furnish all labor, materials, and supplies, and to construct the project in accordance with the contract documents and the plans and specifications within the time set forth below, and at the prices stated below. These prices are to cover all expenses incurred in performing the work required under the contract documents, of which this bid is a part.

The Bidder hereby agrees to commence work on or before the date to be specified in written "Notice to Proceed" of the Owner, and to substantially complete the project within _90____ consecutive calendar days thereafter. The Bidder further agrees to pay as liquidated damages the sum of TBD ($) Dollars for each consecutive calendar day thereafter that the work is not complete as provided in Section 00700 GENERAL CONDITIONS.

_____
*Specify corporation, partnership or individual as applicable.

B) Bidder acknowledges receipt of and this bid includes the following addenda:

No. Dated:

No. Dated:

No. Dated:

No. Dated:

C) The Bidder agrees to perform the bid work described in the specifications and shown on the plans for the following contract price: $_____ .

The above unit prices shall include all labor, materials, bailing, shoring, removal, overhead, profit, insurance, etc., to cover the finished work of the several kinds called for.

The Bidder understands that all bids for this project are subject to the applicable bidding laws of the Commonwealth of Massachusetts, including General Laws Chapter 149 and Chapter 30, Section 39M, as amended.

The Bidder understands that the Owner reserves the right to reject any or all bids and to waive any informalities in the bidding.

The Bidder agrees that this bid shall be good and may not be withdrawn for a period of 30 days, Saturdays, Sundays and legal holidays excluded, after the opening of bids.

Within 10 days of receipt of the written notice of acceptance of this bid, the Bidder will execute the formal Agreement set forth in Section 00500 CONTRACT.

Bid security is attached in the sum of five percent (5%) of the total bid in accordance with the conditions of Section 00100 INSTRUCTIONS TO BIDDERS. The bid security may become the property of the Owner in the event the contract and bond are not executed within the time set forth above.

The selected Contractor shall furnish a performance bond and a payment bond in an amount at least equal to one hundred percent (100%) of the contract price in accordance with Section 00610 PERFORMANCE BOND, Section 00620 PAYMENT BOND, and as stipulated in the contract.

The undersigned offers the following information as evidence of his qualifications to perform the work as bid upon according to all the requirements of the plans and specifications.

1. Have been in business under present name for ____ years.

2. The names and addresses of all persons interested in the bid (if made by a partnership or corporation) as principals, are as follows:

_____
_____
_____
_____
_____
_____

(attach supplementary list if necessary)

3. The bidder is requested to state below what work of a similar character to that included in the proposed contract he has done, and give references that will enable the Owner to judge his experience, skill and business standing (add supplementary page if necessary).

Pursuant to M.G.L. CH. 62C, Sec. 49A, I certify hereby in writing, under penalties of perjury, that the within named Bidder/Contractor has complied with all laws of the commonwealth relating to taxes, reporting of employees and contractors, and withholding and remitting of child support.

The undersigned Bidder hereby certifies under penalties of perjury, as follows: (1) that he/she is able to furnish labor that can work in harmony with all other elements of labor employed or to be employed in the work; (2) that all employees to be employed at the worksite will have successfully completed a course in construction safety and health approved by the United States Occupational Safety and Health Administration that is at least 10 hours in duration at the time the employee begins work and who shall furnish documentation of successful completion of said course with the first certified payroll report for each employee; and (3) that all employees to be employed in the work subject to this bid have successfully completed a course in construction safety and health approved by the United States Occupational Safety and Health Administration that is at least 10 hours in duration.

The undersigned certifies under penalties of perjury that this bid is in all respects bona fide, fair and made without collusion or fraud with any other person. As used in this paragraph the word "person" shall mean any natural person, joint venture, partnership, corporation or other business or legal entity.

The undersigned bidder hereby certifies, under pains and penalties of perjury, that the foregoing bid is based upon the payment to laborers to be employed on the project of wages in an amount no less that the applicable prevailing wage rates established for the project by the Massachusetts Department of Labor and Workforce Development. The undersigned bidder agrees to indemnify the awarding authority for, from and against any loss, expense, damages, actions or claims, including any expense incurred in connection with any delay or stoppage of the project work arising out of or as a result of (1) the failure of the said bid to be based upon the payment of the said applicable prevailing wage rates or (2) the failure of the bidder, if selected as the contractor, to pay laborers employed on the project the said applicable prevailing wage rates.

SECTION 00500

AGREEMENT

THIS AGREEMENT made this _____ day of _____

in the year Two Thousand and ____, between _____, with a usual place

of business at _____, hereinafter called the

CONTRACTOR, and the Town of _____, acting by its _____, with a usual place of business

at _____ Street, _____, MA _____, hereinafter called the OWNER.

The CONTRACTOR and the OWNER, for the consideration hereinafter named, agree as follows:

1. Scope of Work

The Contractor shall furnish all labor, materials, equipment and insurance to perform all work required for the project known as the _____ Project, in strict accordance with the Contract Documents and all related Drawings and Specifications. The said Documents, Specifications, Drawings and any supplemental general conditions are incorporated herein by reference and are made a part of this Agreement.

2. Contract Price

The Owner shall pay the Contractor for the performance of this Agreement, subject to additions and deductions provided herein, in current funds, the sum of _____.

3. Commencement and Completion of Work and Liquidated Damages

It is agreed that time is of the essence of this Agreement. The Contractor shall commence and prosecute the work under this Agreement upon execution hereof and shall complete the work on or before _____.

A. Definition of Term: The Term "Substantial completion" shall mean the date certified by the Owner when construction is sufficiently complete, in accordance with the Contract Documents, so the Owner may occupy the project, or designated portion(s) thereof, for the use for which it is intended.

B. Time as Essential Condition: It is understood and agreed that the commencement of and substantial completion of the work are essential conditions of this Agreement. It is further agreed that time is of the essence for each and every portion of the Contract Documents wherein a definite and certain length of time is fixed for the performance of any act whatsoever; and where under the Contract Documents any additional time is allowed for the completion of any work, the new time fixed by such extension shall be of the essence of this Agreement. It is understood and agreed that the times for the completion of the work are reasonable, taking into consideration the average climatic range and usual industrial conditions prevailing in this locality.

C. Progress and Completion: Contractor shall commence work promptly upon execution of this Agreement and shall prosecute and complete the work regularly, diligently and uninterruptedly at such a rate of progress as will insure Substantial Completion within the stipulated number of calendar days.

D. Liquidated Damages: It is expressly agreed between the Contractor and the Owner that the Contractor will be responsible for all damages which may arise due to the Contractor's failure to substantially complete the work within the above specified time. If the Contractor shall neglect, fail or refuse to complete the work within the specified number of days, or any extension thereof authorized by the Owner, Contractor agrees, as a part of the consideration for the execution of this Contract by the Owner, to pay the Owner the amount specified herein, not as a penalty, but as liquidated damages for such breach of contract as hereinafter set forth, for each and every calendar day, excluding Saturdays, Sundays and legal Holidays, that the Contractor shall be in default of Substantial completion after the date specified in the Agreement. Due to the impracticability and extreme difficulty of fixing and ascertaining the actual damages the Owner would in such event sustain, said amount is agreed to be the amount of damages which the Owner would sustain, and said amount shall be retained from time to time by the Owner from current periodic estimates. The amount of liquidated damages shall be _____ per day.

4. Performance of the Work

A. Direction of the Work: The Contractor shall supervise and direct the Work, using his best skills and attention which shall not be less than such state of skill and attention generally rendered by the contracting profession for projects similar to the Project in scope, difficulty and location. The Contractor shall maintain adequate supervisory personnel at the project site during the performance of the Work. He shall be solely responsible for all construction means, methods, techniques, sequences and procedures and for coordinating all portions of the Work under the Agreement.

B. Responsibility for the Work: (1) The Contractor shall be responsible to the Owner for the acts and omissions of his employees, Subcontractors and their agents and employees, and other persons performing any of the Work under a contract with the Contractor. This obligation shall also extend to the presence on the Site of suppliers of materials or equipment, their employees, contractors, and agents engaged in the work.

(2) The Contractor shall not be relieved from his obligations to perform the Work in accordance with the Contract Documents either by the activities or duties of the Owner in its administration of the Agreement, or by inspections, tests or approvals required or performed by persons other than the Contractor.

C. Permits and Fees: Unless otherwise expressly provided, the Contractor shall secure and pay for all permits and fees, licenses and inspections necessary for the proper execution and completion of the Work which are customarily secured after execution of the Agreement and which are legally required at the time the bids are received, and the same shall at all times be the property of the Owner and shall be delivered to the Owner upon completion of the Project.

D. Notices, Compliance With Laws: (1) The Contractor shall give all notices and comply with all federal, state and local laws, ordinances, rules, regulations and lawful orders of any public authority bearing on the performance of the Work. The Contractor shall provide the Owner with reproductions of all permits, licenses and receipts for any fees paid. The Owner represents that it has disclosed to the Contractor all orders and requirements known to the Owner of any public authority particular to this Agreement.

(2) If the Contractor observes that any of the Contract Documents are at variance with applicable laws, statutes, codes and regulations in any respect, he shall promptly notify the Owner in writing, and any necessary changes shall be accomplished by appropriate modification.

(3) If the Contractor performs any Work which he knows or should know is contrary to such laws, ordinances, rules and regulations, and without such notice to the Owner, he shall assume full responsibility therefor and shall bear all costs attributable thereto.

(4) In the performance of the Work, the Contractor shall comply with all applicable federal, state and local laws and regulations including those relating to workplace and employee safety. The Contractor shall notify the Owner immediately of any conditions at the place of the work which violate said laws and regulations and shall take prompt action to correct and eliminate any such violations.

E. Project Superintendent: The Contractor shall employ a competent superintendent and necessary assistants who shall be in attendance at the Project site at all times during the progress of the Work. The superintendent shall represent the Contractor and all communications given to the superintendent shall be as binding as if given to the Contractor. Important communications shall be confirmed in writing. Other communications shall be so confirmed on written request in each case.

F. Progress Schedule: The Contractor, immediately after being awarded the Contract, shall prepare and submit for the Owner's information an estimated progress schedule for the Work. The progress schedule shall be related to the entire Project to the extent required by the Contract Documents, and shall provide for expeditious and practicable execution of the Work.

G. Drawings, Specifications and Submittals:

(1) The Contractor shall maintain at the site for the Owner one record copy of all Drawings, Specifications, Addenda, Change Orders and other Modifications, and "As-Built" Drawings and Specifications in good order and marked currently to record all changes made during construction, and approved Shop Drawings, Product Data and Samples. These shall be delivered to the Owner upon completion of the Work.

(2) By approving and submitting Shop Drawings, Product Data and Samples, the Contractor represents that he has determined and verified all materials, field measurements, and field construction criteria related thereto, or will do so, and that he has checked and coordinated the information contained within such submittals with the requirements of the Work and of the Contract Documents.

(3) The Contractor shall not be relieved of responsibility for any deviation from the requirements of the Contract Documents by the Owner's approval of Shop Drawings, Product

Data or Samples unless the Contractor has specifically informed the Owner in writing of such deviation at the time of submission and the Owner has given written approval to the specific deviation. The Contractor shall not be relieved from responsibility for errors or omissions in the Shop Drawings, Product Data or Samples by the Owner's approval thereof.

(4) The Contractor shall direct specific attention, in writing or on resubmitted Shop Drawings, Product Data or Samples, to revisions other than those requested by the Owner on previous submittals.

(5) No portion of the Work requiring submission of a Shop Drawing, Product Data or Sample shall be commenced until the submittal has been approved by the Owner. All such portions of the Work shall be in accordance with approved submittals.

H. Protection of the Work and Owner's Property: The Contractor shall at all times safely guard the Owner's property from injury or loss in connection with this Agreement. He shall at all times safely guard and protect his own work, and that of adjacent property from damage. The Contractor shall replace or make good any such damage, loss or injury. The Contractor shall clean the work area and restore it to its original condition upon completion of the work.

I. Quality of the Work: The Contractor shall perform the work in a good, workmanlike manner. The Contractor hereby guarantees that the entire work constructed by him under the Agreement will meet fully all requirements thereof as to quality of workmanship and materials. The Contractor hereby agrees to make at his own expense any repairs or replacements made necessary by defects in materials or workmanship supplied to him that become evident within one (1) year after the date of the final payment, and to restore to full compliance with the requirements set forth herein any part of the work constructed hereunder, which during said one (1) year period is found to be deficient with respect to any provisions of the Contract Documents. The Contractor also agrees to hold the Owner harmless from claims of any kind arising from damage due to said defects. The Contractor shall make all repairs and replacements promptly upon receipt of written orders for same from the Owner. If the Contractor fails to make the repairs and replacements promptly, the Owner may do the work and the Contractor shall be liable to the Owner for the cost thereof.

J. Warranty: The Contractor guarantees to Owner that all materials incorporated into the work will be new unless otherwise specified or agreed. Prior to final payment, the Contractor shall deliver to the Owner all manufacturers' warranties, together with such endorsements or assignments as are necessary to ensure to the Owner the full rights and benefits of such warranties.

5. Affirmative Action/Equal Employment Opportunity

The Contractor is directed to comply with all applicable State Laws, Ordinances, Bylaws, and rules and regulations regarding affirmative action/equal employment opportunity requirements. Failure of the Contractor to comply with any such law, rule or regulation shall constitute grounds for the Owner to terminate the Agreement.

6. Site Information Not Guaranteed; Contractor's Investigation

All information given in the Contract Documents relating to subsurface and other conditions, natural phenomena, existing pipes, and other structures is from the best sources at present available to the Owner. All such information is furnished only for the information and convenience of the Contractor and is not guaranteed.

It is agreed and understood that the Owner does not warrant or guarantee that the subsurface or other conditions, natural phenomena, existing pipes, or other structures encountered during construction will be the same as those indicated in the Contract Documents.

Contractor has familiarized himself with the nature and extent of the Contract Documents, work, locality, and with all local conditions and federal, state, and local laws, rules, ordinances, and regulations that in any manner may affect costs, progress, or performance of the work. Contractor has made, or has caused to be made, examinations, investigations, and tests and studies of such reports and related data in addition to those referred to in the paragraph above as he deems necessary for the performance of the work at the Contract Price, within the Contract Time, and in accordance with the other Terms and Conditions of the Contract Documents; and no additional examinations, tests, investigations, reports, and similar data are or will be required by the Contractor for such purposes.

Contractor has correlated the results of all such observations, examinations, investigations, tests, reports, and data with the Contract Documents. Contractor has given the Owner written notice of all conflicts, errors, or discrepancies that he has discovered in the Contract Documents, and the resolution thereof by the Owner is acceptable to the Contractor.

It is further agreed and understood that the Contractor shall not use or be entitled to use any of the information made available to him or obtained in any examination made by him in any manner as a basis of or ground for any claim or demand against the Owner, arising from or by reason of any variance which may exist between the information made available and the actual subsurface conditions or other conditions or structures actually encountered during the construction work, except as may otherwise be expressly provided for in the Contract Documents.

7. Project Architect or Engineer

There ___ is ___ is not a project architect-engineer for this project who is _____. Except as otherwise indicated in the Contract Documents, the Architect/Engineer shall be a representative of the Owner and the Contractor shall direct all communications, questions and comments on the work and the performance thereof to the Architect/Engineer. Except as otherwise provided, the Architect/Engineer shall have all the authority of the Owner set forth in the Contract Documents. In general, the Architect/Engineer shall have the authority to review the performance of the work, reject work which is defective or otherwise does not comply with the Contract Documents and to order the Contractor to remedy defective work and take such actions which are necessary to make the work conform to the Contract Documents.

8. Wage Rates

Prevailing Wage Rates as determined by the Commissioner of the Department of Labor and Workforce Development under the provisions of Massachusetts General Laws, Chapter 149, Section 26 to 27G, as amended, apply to this project. It is the responsibility of the Contractor to provide the Town with certified payrolls and to comply with all requirements of the above-cited statutes.

The schedules of prevailing wage rates are included in the Contract Documents.

9. Payments to the Contractor

Within fifteen (15) days after receipt from the Contractor of a proper and satisfactory periodic estimate requesting payment of the amount due for the preceding month, the Owner shall have fifteen (15) days to make payment for:

A. The work performed during the preceding month.

B. The materials not incorporated in the Work but delivered and suitably stored at the site (or at some location agreed upon in writing) to which the Contractor has title, or to which a Subcontractor has title and has authorized the Contractor to transfer title to the Owner.

C. Less the following retention items:

1. A retention based on an estimate of the fair value of the Owner's claims against the Contractor.

2. A retention for direct payments to Subcontractors, if any, based on demands for same in accordance with the provisions of Section 39F of Chapter 30 of the General Laws.

3. A retention not exceeding five percent (5%) of the approved amount of the periodic payment.

D. After the receipt of a periodic estimate requesting final payment and within sixty-five (65) days after the Contractor fully completes the Work, or substantially completes the Work so that the value of the Work remaining to be done is, on the estimate of the Owner, less than 1% of the original Contract Price, or substantially completes the Work and the Owner takes possession or

occupancy, whichever occurs first, the Owner shall pay the Contractor the entire balance due on the Contract less:

1. A retention based on an estimate of the fair value of the Owner's claims against the Contractor and of the cost of completing the incomplete and unsatisfactory items of work.

2. A retention for direct payments to Subcontractors, if any, based on demands of same in accordance with the provisions of Section 39F of Chapter 30 of the General Laws, or based on the record of payments by the Contractor to the Subcontractors under this Contract if such record of payment indicates that the Contractor has not paid Subcontractors as provided in Section 39F of Chapter 30 of the General Laws.

If the Owner fails to make payment as herein provided, there shall be added to each such payment, daily interest at the rate of 3 percentage points above the rediscount rate than charged by the Federal Reserve Bank of Boston, commencing on the first day after said payment is due, and continuing until the payment is delivered or mailed to the Contractor; provided that no interest shall be due, in any event, on the amount of a periodic estimate for final payment until fifteen (15) days after receipt of such a periodic estimate by the Owner as provided in the first paragraph of this Article. The Contractor agrees to pay to each subcontractor a portion of any such interest paid in accordance with the amount due each subcontractor.

The Owner may make changes in any periodic estimate submitted by the Contractor and the payment due on said periodic estimate shall be computed in accordance with the changes so made, and such changes and any requirements for a corrected periodic estimate shall not affect the due date for the periodic payment or the date for the commencement of interest charges on the amount of the periodic payment computed in accordance with the changes made, as provided herein; provided further, that the Owner may, within seven (7) days after receipt, return to the Contractor for correction, any periodic estimate which is not in acceptable form or which contains computations not arithmetically correct, and in that event, the date of receipt of such periodic estimate shall be the date of receipt of the corrected periodic
estimate in proper form and with arithmetically correct computations. The date of receipt of a periodic estimate received on a Saturday shall be the first working day thereafter.

E. Changes in the Work: No changes in the work covered by the approved Contract Documents shall be made without prior written approval of the Owner. Charges or credits for the work covered by the approved change shall be determined by one or more, or a combination of the following methods:

(a) Unit bid prices previously approved.

(b) An agreed lump sum.

(c) The actual cost of:

(1) Labor.

(2) Materials entering permanently into the work.

(3) The ownership or rental cost of construction equipment during the time of use on the extra work.

(4) Power and consumable supplies for the operation of power equipment.

(5) Wages to be paid.

To the cost under (c) there shall be added a fixed fee to be agreed upon but not to exceed fifteen percent (15%) of the actual cost of work. The fee shall be compensation to cover the cost of supervision, overhead, bond, profit and any other general expenses.

F. Claims for Additional Costs: If the Contractor wishes to make a claim for an increase in the Contract Sum, he shall give the Owner written notice thereof within twenty days after the occurrence of the event giving rise to such claim. This notice shall be given by the Contractor before proceeding to execute the Work, except in an emergency endangering life or property. No such claim shall be valid unless so made. Any change in the Contract Sum resulting from such claim shall be authorized by Change Order.

The Contractor hereby agrees that the Contractor shall have no claim for damages of any kind against the Town on account of any delay in the commencement or performance of the work and/or any hindrance, delay or suspension of any portion of the work including, but not limited to, any claims or damages on account of having to perform out of sequence work, claims for damages on account of loss of production or other interference with the work whether such delay is caused by the Town or otherwise, except as and to the extent expressly provided under G.L. c.30, §39O in the case of written orders by the Town. The Contractor acknowledges that the Contractor's sole remedy for any such claim will be an extension of time as provided herein.

10. Final Payment, Effect

The acceptance of final payment by the Contractor shall constitute a waiver of all claims by the Contractor arising under the Agreement.

11. Contract Documents

The Contract Documents consist of the following, together with this Agreement:

Invitation to Bid
Instructions to Bidders
This Contract Form
Bid Form
Performance Bond
Labor & Materials Payment Bond
Non-Collusion Certificate
Tax Compliance Certificate
Clerk's Certificate of Corporate Vote
Certificate of Insurance
General Conditions
Supplementary General Conditions

General Requirements
Specifications and Addenda
Contract Drawings
Schedule of Prevailing Wages
(Strike out any inapplicable item)

12. Terms Required By Law

This Agreement shall be considered to include all terms required to be included in it by the Massachusetts General Laws, and all other laws, as though such terms were set forth in full herein.

13. Indemnification

The Contractor shall indemnify and hold harmless the Owner from and against any and all claims, damages, losses, and expenses, including attorney's fees, arising out of the performance of this Agreement when such claims, damages, losses, and expenses are caused, in whole or in part, by the acts, errors, or omissions of the Contractor or his employees, agents, subcontractors or representatives.

14. Insurance

The Contractor shall purchase and maintain such insurance as will protect both the Owner and the Contractor from claims which may arise under the Agreement, including operations performed for the named insured by independent contractors and general inspection thereof by the named insured. In addition, the Contractor shall require its subcontractors to maintain such insurance. Coverage shall be provided for:

.1 claims under workers' or workmen's compensation, disability benefit and other applicable employee benefit acts;

.2 claims for damages because of bodily injury, occupational sickness or disease, or death of Contractor's employees;

.3 claims for damages because of bodily injury, sickness or disease, or death of any person other than Contractor's employees;

.4 claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the Contractor, or (2) by any other person;

.5 claims for damages, including damages to the Work itself, because of injury to or destruction of tangible property, including loss of use resulting therefrom; and

.6 claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle.

.7 claims involving contractual liability applicable to the Contractor's obligations under Article 13.

The limits of liability for coverage required under the preceding paragraph shall be as Specified in the Supplemental Conditions.

Except for Workmen's Compensation, all liability coverage shall name the Town as an additional insured and shall provide for 30 days prior written notice to the Town of any modification or termination of coverage provided thereby. The Contractor shall provide the Owner with appropriate certificate(s) of insurance evidencing compliance with this provision prior to the commencement of any work under this Agreement.

15. Notice

All notices required to be given hereunder shall be in writing and delivered to, or mailed first class to, the parties' respective addresses stated above. In the event that immediate notice is required, it may be given by telephone or facsimile, but shall, to the extent possible, be followed by notice in writing in the manner set forth above.

16. Termination

A. Each party shall have the right to terminate this Agreement in the event of a failure of the other party to comply with the terms of the Agreement. Such termination shall be effective upon seven days' notice to the party in default and the failure within that time of said party to cure its default.

B. The Owner shall have the right to terminate the Agreement without cause, upon ten (10) days' written notice to the Contractor. In the event that the Agreement is terminated pursuant to this subparagraph, the Contractor shall be reimbursed in accordance with the Contract Documents for all Work performed up to the termination date, and for all materials or equipment not incorporated in the Work, but delivered and suitably stored at the site. Payment for material or equipment stored at the site shall be conditioned upon submission by the Contractor of bills of sale or such other evidence as is satisfactory to Owner to establish the Owner's title to such material or equipment or otherwise protect the Owner's interests.

17. Miscellaneous

A. Royalties and Patents: The Contractor shall pay all royalties and license fees. He shall defend all suits or claims for infringement of any patent rights and shall save the Owner harmless from loss on account thereof, except that the Owner shall be responsible for all such loss when a particular design, process or the product of a particular manufacturer or manufacturers is specified; but if the Contractor believes or has reason to believe that the design, process or product specified is an infringement of a patent, he shall be responsible for such loss unless he promptly gives such information to the Owner, and thereafter the Owner insists on the use of the design, process or products specified.

B. Assignment: The Contractor shall not assign or transfer any of its rights, duties or obligations under this Agreement without the written approval of the Owner.

C. Governing Law: This Agreement shall be governed by and construed in accordance with the law of the Commonwealth of Massachusetts.

D. By its signature hereon, the Contractor certifies, under the pains and penalties of perjury, that it has complied with all laws of the Commonwealth of Massachusetts relating to taxes, reporting of employees and contractors, and withholding and remitting child support.

CERTIFICATIONS REQUIRED BY LAW

FOR PUBLIC CONSTRUCTION CONTRACTS

You must COMPLETE and SIGN the following certifications. You must also print, at the bottom of this page, the name of the contractor for whom these certifications are submitted.

TAX COMPLIANCE

Pursuant to Chapter 62C of the Massachusetts General Laws, Section 49A(b), I, the undersigned, authorized signatory for the below named contractor, do hereby certify under the pains and penalties of perjury that said contractor has complied with all laws of the Commonwealth of Massachusetts relating to taxes, reporting of employees and contractors, and withholding and remitting child support.

NON-COLLUSION

The undersigned certifies under the penalties of perjury that this bid is in all respects bona fide, fair and made without collusion or fraud with any other person. As used in this subsection the word "person'' shall mean any natural person, joint venture, partnership, corporation or other business or legal entity.

PUBLIC CONTRACTOR DEBARMENT

The undersigned certifies under penalty of perjury that the below named contractor is not presently debarred from doing public construction work in the commonwealth under the provisions of section twenty-nine F of chapter twenty-nine, or any other applicable debarment provisions of any other chapter of the General Laws or any rule or regulation promulgated thereunder.

OSHA TRAINING

Pursuant to G.L. c. 30, §39S, the Contractor hereby certifies under penalties of perjury as follows:

(1) Contractor is able to furnish labor that can work in harmony with all other elements of labor employed or to be employed in the work;

(2) All employees to be employed at the worksite will have successfully completed a course in construction safety and health approved by the United States Occupational Safety and Health Administration that is at least 10 hours in duration at the time the employee begins work and they shall furnish documentation of successful completion of said course with the first certified payroll report for each employee; and

(3) All employees to be employed in the work subject to this contract have successfully completed a course in construction safety and health approved by the United States Occupational Safety and Health Administration that is at least 10 hours in duration.

SECTION 00610

PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS: That we _____
(Name of Contractor)

a _____ hereinafter called "Principal" and
(Corporation, Partnership, Joint Venture or Individual)

_____of _____, State of _____
(Surety) (City & State)

_____ hereinafter called the "Surety" and licensed by the State Division of Insurance to do business under the laws of the Commonwealth of Massachusetts, are held and firmly bound to the City/Town of _____, Massachusetts, hereinafter called "Owner", in the penal sum of _____ Dollars ($_____) in lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION is such that Whereas, the Principal entered into a certain contract with the Owner, dated the _____ day of _____, 20___ (the "Construction Contract"), for the construction described as follows: _____
_____.

NOW, THEREFORE, if the Principal shall well, truly and faithfully perform its duties, all the undertakings, covenants, terms, conditions, and agreements of the Construction Contract during the original term thereof, and any extensions thereof which may be granted by the Owner, with or without notice to the Surety, and if he shall satisfy all claims and demands incurred under the Construction Contract, and shall fully indemnify and save harmless the Owner from all costs and damages which it may suffer by reason of failure to do so, and shall reimburse and repay the Owner all outlay and expense which the Owner may incur in making good any default, then this obligation shall be void; otherwise to remain in full force and effect.

PROVIDED, FURTHER, that the Surety's obligation under this Bond shall arise after (1) the Owner has declared the Principal in default of the Construction Contract or any provision thereof or (2) has declared that the Principal has failed, or is otherwise unable or unwilling, to execute the work consistent with, and in conformance to, the Construction Contract (collectively referred to as a "Contractor Default"). The determination of a Contractor Default shall be made solely by the Owner. The Owner need not terminate the Construction Contract to declare a Contractor Default or to invoke its rights under this Bond.

When the Surety's obligation under this Bond arises, the Surety, at its sole expense and at the consent and election of the Owner, shall promptly take one of the following steps: (1) arrange for the Principal to perform and complete the work of the Construction Contract: (2) arrange for a contractor other than the Principal to perform and complete the work of the Construction Contract; (3) reimburse the Owner, in a manner and at such time as the Owner shall decide, for all costs and expenses incurred by the Owner in performing and completing the work of the Construction Contract. Surety will keep Owner reasonably informed of the progress, status and results of any investigation of any claim of the Owner.

If the Surety does not proceed as provided in this Bond with due diligence and all deliberate speed, the Surety shall be deemed to be in default of this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner.

After the Surety's obligation under this Bond arises, the Surety is obligated, to the limit of the amounts of this Bond, for (1) the correction of defective work and completion of the Construction Contract; (2) additional design, professional services, and legal costs, including attorneys' fees, resulting from the Contractor Default or from the default of the Surety under this Bond; (3) any additional work beyond the Construction Contract made necessary by the Contractor Default or default of the Surety under this Bond; (4) indemnification obligation of the Principal, if any, as provided in the Construction Contract; and (5) liquidated damages as provided in the Construction Contract, or if none are so specified, actual and foreseeable consequential damages resulting from the Contractor Default or default of the Surety under this Bond.

Any proceeding, legal or equitable, under this Bond shall be instituted in any court of competent jurisdiction in the Commonwealth of Massachusetts.

The Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the Construction Contract or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligation on this Bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the Construction Contract or to the work or to the specifications.

IN WITNESS WHEREOF, this instrument is executed in _____ ( ) counterparts, each one of which shall be deemed an original, this the _____ day of _____, 20___.

SECTION 00620

PAYMENT BOND

KNOW ALL MEN BY THESE PRESENTS: That we _____

_____ a_____ _____
(Name of Contractor) (Corporation, Partnership, Joint Venture or Individual)

hereinafter called "Principal" and _____ of _____,
(Surety)

State of _____ hereinafter called the “Surety” and licensed by the State
(City and State)

Division of Insurance to do business under the laws of the Commonwealth of Massachusetts, are held and firmly bound to the City/Town of _____, Massachusetts, hereinafter called "Owner", in the penal sum of _____ Dollars ($_____) in lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION is such that Whereas, the Principal entered into a certain contract with the Owner, dated the _____ day of _____, 20___, for the construction described as follows:

NOW, THEREFORE, if the Principal shall promptly make payment to all persons, firms, subcontractors, and corporations furnishing materials for or performing labor in the prosecution of the work provided for in such contract, and any authorized extension or modification thereof, including all amounts due for materials, lubricants, oil, gasoline, coal and coke, repairs on machinery, equipment and tools, consumed or used in connection with the construction of such work, and all insurance premiums on said work, and for all labor, performed in such work whether by subcontractor or otherwise, then this obligation shall be void; otherwise to remain in full force and effect.

PROVIDED, FURTHER, that the said Surety, for value received hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the contract or to the work to be performed thereunder or the specifications accompanying the same shall in any way affect its obligation on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of this contract or to the work or to the specifications.

PROVIDED, FURTHER, that no final settlement between the Owner and the Contractor shall abridge the right of any beneficiary hereunder, whose claim may be unsatisfied.

IN WITNESS WHEREOF, this instrument is executed in ____ ( ) counterparts, each one of which shall be deemed an original, this the _____ day of _____, 20__.

SUPPLEMENTAL CONDITIONS

		Page
1.	Introduction	2
2.	Prevailing Wage Rates	2
3.	Insurance Requirements	2

SECTION 00850 - Incorporation of Applicable Provisions of the Massachusetts General Laws

Attachment A - Wage Rates and Certificate of Compliance

§ SC 1.1 INTRODUCTION

The following provisions modify, change, delete from or add to Section 00500 Agreement. Where any Subsection of the Agreement is modified or any Article Paragraph, Subparagraph or Clause thereof is modified or deleted by these Supplemental Conditions, the unaltered provisions of that Article, Paragraph, Subparagraph or Clause shall remain in effect.

§ SC 2.1 PREVAILING WAGE

In accordance with General Laws Chapter 149, Section 26 through 27D, the Contractor is obligated to comply with the prevailing wage rates established by the Commissioner of the Department of Labor and Workforce Development for mechanics, apprentices, chauffeurs, teamsters and laborers employed on the Project. The schedule of applicable prevailing wage rates for the Project, together with a Certificate of Compliance therewith, are set forth in Attachment A herein.

§ SC 3.1 CONTRACTOR'S LIABILITY INSURANCE

General Insurance Requirements

Prior to the commencement of any Contract work of any nature, and in addition to other insurance, bonds or securities required by law or under Contract terms, the Contractor shall procure and maintain during the life of the Contract and beyond as required, the types and limits of insurance as outlined below:

a. All insurance required of the Contractor will be maintained with companies assigned a letter rating in the "A- VIII" category from A.M. Best or which are otherwise acceptable to the Town of Bridgewater, and which are lawfully authorized to do business in the Commonwealth of Massachusetts.
b. Each policy (except workers' compensation and personal property) shall include Town of Bridgewater, its officers and employees as Additional Insureds or loss payees. Each policy shall indicate that the coverage is primary and non-contributory.
c. Each policy shall contain a waiver of subrogation in favor of Town of Bridgewater, its officers and employees.
d. No policy must be allowed to expire, be cancelled or materially modified without thirty (30) days' prior written notice to the Chief Procurement Officer, Town of Bridgewater.

Liability Insurance

The Contractor shall be fully responsible for all claims for damages for bodily injury, including wrongful death, and all claims for property damage, which may result from the performance of this Contract by the Contractor, any subcontractor, or any of their respective agents or employees. The Contractor's liability shall not be limited to the extent of the insurance required herein. The Contractor shall take out and maintain in force during the life of this Contract the following types of insurance to protect the Town of Bridgewater, its agents, and employees, the Contractor, and any subcontractor performing work covered by this Contract from claims which may arise from operations by the contractor or by a subcontractor or by anyone directly or indirectly employed by either of them.

a. Commercial General Liability Insurance: to cover all claims for damages for bodily injury including accidental death, as well as claims for property damage which may arise out of operations performed in connection with the Contract. The policy shall provide a combined single limit for bodily injury and property damage of one million dollars (1,000,000) per occurrence, and three million dollars ($3,000,000) General Aggregate. Such General Aggregate limit shall apply on a per project basis. Personal and Advertising Injury coverage shall be provided at a limit of ($1,000,000). Products and completed operations coverage should be provided at a limit of three million dollars ($3,000,000) aggregate and shall be maintained for a period of three (3) years after substantial completion and acceptance of the project by the Town of Bridgewater or owner of the project.

The policy shall be occurrence based and provide coverage at least as broad as the current ISO form without any exclusion for Products and Completed Operations, Explosion (X), Collapse (C) and Underground Damage (U)

hazards as related to the work being performed, Contractor Protective Liability coverage with respect to operations performed by subcontractors, and Contractual Liability coverage related to this Contract. If the Contract includes work to be performed within fifty (50) feet of a railroad, any exclusion for liability assumed under contract for such work shall be deleted.

Town of Bridgewater, shall be named as an additional insured on all public liability and property damage insurance policies. The policy shall include a waiver of subrogation in favor of the Town of Bridgewater. No insurance policy obtained pursuant to this section shall contain a deductible or self insured retention.

b. Automobile Liability: to cover the liability of the Contractor arising from operations on and off the site of all motor vehicles whether they are owned, non-owned or hired. The policy shall be on an occurrence form with a combined single limit for bodily injury and property damage liability of at least one million dollars ($1,000,000).

The policy should include a Broadened Pollution Endorsement (CA 99 48) if contractor is bringing fuel cans or possible pollutants, mobile equipment or other gas powered tools on-site. If hauling hazardous materials, contaminants or pollutants, the policy shall include coverage form MCS-90 in accordance with Sections 29 and 30 of the Motor Carrier Act of 1980.

c. Umbrella Liability: to protect the Contractor against all claims excess of the commercial general liability and automobile liability mentioned above and employer's liability coverage mentioned in the paragraph below. The coverage provided by the umbrella policy shall be at least as broad as the underlying policies. The limit of protection provided by the policy shall be as follows unless an alternative limit is indicated via addendum to this Contract.

Contract Price	**Limit of Liability**
Under $1,000,000	$2,000,000 per occurrence
$1,000,001 - $5,000,000	$5,000,000 per occurrence
$5,000,001 - $10,000,00	$10,000,000 per occurrence
$10,000,001 and over	$25,000,000 per occurrence

Workers' Compensation and Employer's Liability Insurance

Before commencing performance of this contract, the Contractor shall provide insurance for the payment of compensation and the furnishing of other benefits under the Massachusetts General Laws Chapter 152 (the so-called Workers Compensation Law) to all persons to be employed under this contract, the workers' compensation laws of any other state if there are any persons employed outside of Massachusetts, and any requirement for compensation required under any Federal Act for any maritime employee, longshoreman or harbor workers, and shall continue such insurance in full force and effect during the term of this contract. The contract shall, without limiting the generality of the foregoing, conform to the provisions of the General Laws Chapter 149 S34(a), which section is incorporated herein by reference and made a part hereof.

The Contractor shall provide employer's liability insurance in an amount not less than $500,000 for each accident or disease for each employee.

Contractor's Pollution Legal Liability:

If applicable, the Contractor shall provide insurance coverage for bodily injury and property damage resulting from Contractor's liability arising out of pollution related exposures such as asbestos abatement, lead paint abatement, tank removal, mold remediation, removal of contaminated soil, etc. The policy shall also include coverage for on-site and off-site bodily injury and loss of damage to or loss of use of property, directly or indirectly arising out of the discharge, dispersal, release or escape of irritants, contaminants or pollutants into or upon the land, the atmosphere or any water course or body of water, whether it be gradual, or sudden and accidental. The policy shall also include defense and clean-up costs. The policy shall provide a minimum limit of one million dollars ($1,000,000) per occurrence for this project. If the policy is claims made, the retroactive date shall be no later than

the commencement date of this contract and the policy shall include an extended reporting period of at least one year from substantial completion and acceptance of the work by the Town of Bridgewater or owner of the project.

Personal Property Insurance:

Any tools, equipment, materials, and other personal property owned by Contractor shall be at the sole responsibility and risk of Contractor. The Town of Bridgewater, shall not be liable for any loss, damage, or theft to such property. Any insurance that Contractor elects to maintain on Contractor's personal property and materials shall be at the sole responsibility and cost of Contractor.

Optional – If New Construction or Substantial Renovations are Contemplated
Installation Floater

The Contractor shall provide insurance coverage for property under construction via either a Builder's Risk Policy or an Installation Floater. This insurance must provide coverage on an "all risk" basis and shall include materials, fixtures, equipment and supplies on the job site, off premises at any temporary storage location, or in transit. Valuation must be on a replacement cost basis. The limit of insurance will be equal to the Contract Price or, subject to the express written permission by the Town of Bridgewater or owner of the project, an amount equal to the replacement cost of equipment, materials and structures exposed at any one site. This provision shall in no way relieve the Contractor of his obligation to complete the work covered by the Contract.

Additional types of Insurance

The Contractor shall provide such other types of insurance as may be required by the Town of Bridgewater and indicated via addendum to this insurance requirement.

Proof of Insurance

No work shall be commenced on the site by the Contractor or any subcontractor until copies of the policy or certificates of the types of insurance required hereby have been furnished to the Chief Procurement Officer, in a form satisfactory to her. If the Contractor provides a Certificate of Liability Insurance, it must indicate each policy number, insurance company, policy effective and expiration date, and limits of insurance. The certificate must make specific reference to the Contract number. It must also provide proof that the policy(ies) have been properly endorsed to add the Town as an additional insured and to include a waiver of subrogation in favor of the Town and to provide the Town with at least thirty (30) days' notice of any cancellation, termination or material modification. The certificate must be signed by a duly authorized representative of the issuing insurance companies.

In addition, renewal certificates must be received by the Town thirty (30) days prior to any policy expiration. Further, policies must not be allowed to expire or be canceled without thirty (30) days prior written notice to the Town of Bridgewater.

The Contractor is responsible to make sure its sub-contractors, at all tiers, carry adequate insurance coverage and shall maintain current certificates for their sub-contractors on file at all times. Further, contractor shall provide copies to the Town of Bridgewater upon request.

Effect of Failure to Continue Insurance in Force

Failure to provide and continue in force insurance required by this contract shall be deemed a material breach of this contract and shall operate as an immediate termination thereof.

SECTION 00850

Incorporation of Applicable Provisions of the
Massachusetts General Laws

Certain provisions of the Massachusetts General Laws are applicable to Construction contracts including, but not limited to, those contained in Chapter 30 and Chapter 149. All applicable provisions of the Massachusetts General Laws are incorporated into the Contract as if fully set forth herein, and shall prevail over any conflicting provisions of the General or Supplemental General Conditions.

SECTION 00900

SPECIFICATIONS

Scope of Work
Fire Department Roof Replacement
Bridgewater Fire Department
774 Plymouth Street
Bridgewater, MA

1. General

The Contractor shall furnish all labor, materials, equipment, supervision, permits, disposal, and incidentals necessary to remove and replace the existing roofing systems at the Bridgewater Fire Department.

The project consists of:

- Complete removal of the existing asphalt shingle roofing system.
- Complete removal of the existing EPDM low-slope roofing system.
- Installation of a new architectural asphalt shingle roofing system.
- Installation of a new fully adhered EPDM roofing system.
- Replacement of associated flashings, drip edges, vents, pipe boots, and roofing accessories.
- Disposal and recycling of all roofing debris.
- Final cleanup of the project site.

---

2. Demolition

The Contractor shall:

- Protect the building, landscaping, vehicles, equipment, walkways, and adjacent structures throughout construction.
- Provide tarps and temporary weather protection as required.
- Remove and legally dispose of all existing roofing materials.
- Remove existing shingles, underlayment, EPDM membrane, insulation board, flashings, pipe boots, ridge vents, and accessories as necessary.
- Remove roofing materials down to the existing roof deck.
- Recycle roofing materials where practical.
- Provide dumpsters and debris removal.

---

3. Roof Deck

After removal of existing roofing:

The Contractor shall:

- Inspect the entire roof deck.
- Renail loose decking.
- Replace deteriorated or damaged sheathing as directed by the Owner.

Bid shall include a minimum allowance for replacement of:

- Six (6) sheets of 1/2-inch plywood.

Additional deck replacement beyond the allowance shall be completed only upon written authorization from the Owner and shall be priced in the bid schedule.

---

4. Asphalt Roofing System

Provide a complete architectural asphalt roofing system including:

Underlayment

- Self-adhering ice and water shield extending:
  - Minimum 6 feet inside exterior wall line at eaves.
  - Entire valleys.
  - Around penetrations.
  - At roof-to-wall intersections.
- Synthetic roofing underlayment over remaining roof surfaces.

Starter Course

Install starter shingles around the entire roof perimeter.

Shingles

Install premium architectural asphalt shingles meeting:

- ASTM D3462
- ASTM D7158 Class H (130 MPH)
- ASTM D3161 Class F

Approved Manufacturers:

- Owens Corning Duration
- CertainTeed Landmark Pro
- GAF Timberline HDZ
- Approved Equal

Color shall be selected by the Town.

Shingles shall be installed using the manufacturer's high-wind installation requirements.

---

5. Ridge Ventilation

Provide continuous ridge ventilation system compatible with the selected roofing manufacturer.

Replace existing ridge vents as required.

Existing exhaust ventilation shall remain functional.

---

6. Flashings

Replace all flashing components including:

- Pipe boots
- Lead flashings
- Step flashing
- Counter flashing
- Wall flashing
- Valley flashing
- Drip edge
- Edge metal
- Roof penetrations

Flashings shall be aluminum or galvanized steel compatible with the roofing system.

---

7. EPDM Roof System

Provide a complete fully adhered EPDM roofing system.

The system shall include:

- Minimum 1/2-inch high-density insulation board mechanically fastened to roof deck.
- Minimum 60-mil fully adhered EPDM membrane.
- Bonding adhesive.
- Seam tape.

- Termination bars.
- Pipe boots.
- Penetration flashings.
- Perimeter edge metal.
- Roof edge flashing.
- Complete watertight installation.

The membrane shall extend beneath adjacent shingle roofing as required to create a continuous waterproof system.

---

8. Fasteners

Use manufacturer-approved fasteners throughout.
Roof insulation shall be mechanically attached with approved plates and screws.
Architectural shingles shall be installed using the manufacturer's high-wind fastening pattern.

---

9. Protection During Construction

The Contractor shall:

- Maintain emergency access to the Fire Department at all times.
- Coordinate work to minimize disruption to Fire Department operations.
- Keep apparatus bays, entrances, and emergency access routes unobstructed.
- Provide temporary weather protection at all times.

---

10. Cleanup

Contractor shall:

- Remove all debris daily.
- Magnetically sweep the site for nails.
- Clean gutters.
- Leave all paved areas broom clean.
- Remove all temporary protection upon completion.

---

11. Warranty

Provide:

- Manufacturer's roofing material warranty (minimum 30 years).
- Contractor workmanship warranty (minimum 10 years).

Warranty documentation shall be submitted prior to final payment.

---

12. Safety

The Contractor shall:

- Comply with all OSHA regulations.
- Provide fall protection.
- Secure work area.
- Protect Town employees and the public.
- Maintain insurance required by the Contract Documents.

---

13. Permits

The Contractor shall:

- Obtain all required permits.
- Schedule inspections.
- Pay all permit fees.

- Coordinate final inspection.

---

14. Bid Alternate / Unit Prices

Provide unit prices for:

- Replacement of roof decking (per 4' × 8' sheet)
- Replacement of dimensional lumber (per linear foot)
- Additional roof tear-off for multiple existing roofing layers (per square)

Suggested Minimum Qualifications

Because this is a municipal project, I would also include minimum qualifications such as:

- Minimum five (5) years of commercial roofing experience.
- Minimum three (3) comparable municipal or commercial roofing projects completed within the last five years.
- Manufacturer-certified installer for the proposed roofing system.
- OSHA 10 (minimum) for all workers; OSHA 30 for onsite supervisor.
- Valid Massachusetts Construction Supervisor License (CSL).
- Massachusetts Home Improvement Contractor registration is not required for municipal work but may be accepted if applicable.
- Ability to provide manufacturer warranties.
- Proper licensing and insurance.

TECHNICAL SPECIFICATIONS
Section 07 50 00 – Roofing Systems

PART 1 – GENERAL

1.01 Description

The work includes all labor, materials, equipment, supervision, permits, transportation, disposal, and incidentals necessary to remove the existing roofing systems and install complete new roofing systems, including all accessories required for a watertight installation.

The project includes:

- Asphalt architectural shingle roofing
- Low-slope EPDM roofing
- Flashings
- Edge metals
- Ridge ventilation
- Pipe boots
- Roof penetrations
- Roof insulation
- Replacement of damaged roof decking as required
- Final cleanup

1.02 References

All materials and installation shall comply with the latest editions of:

- Massachusetts State Building Code (780 CMR)
- OSHA Regulations
- International Building Code
- NRCA Roofing Manual
- ASTM Standards

- SMACNA Standards
- Manufacturer's written installation instructions

Where conflicts occur, the more stringent requirement shall apply.

1.03 Submittals

Prior to beginning work, the Contractor shall submit:

- Product data
- Roofing system specifications
- Manufacturer installation instructions
- Color samples
- Warranty information
- Shop drawings (if required)
- Certificates of insurance
- Safety plan
- Schedule of work

No materials shall be installed until approved.

1.04 Warranty

Provide:

Manufacturer Material Warranty

Minimum 30 years

Contractor Workmanship Warranty

Minimum 10 years

Warranty shall cover leaks caused by defective workmanship.

PART 2 – PRODUCTS

2.01 Architectural Shingles

Provide premium laminated architectural shingles meeting:

ASTM D3462

ASTM D7158 Class H (130 MPH)

ASTM D3161 Class F

UL Class A Fire Rating

Approved manufacturers:

- Owens Corning Duration
- CertainTeed Landmark Pro
- GAF Timberline HDZ
- Approved Equal

Color selected by the Town.

2.02 Ice & Water Barrier

Self-adhering waterproof membrane.

Minimum requirements:

- Entire eaves extending minimum 6 feet inside exterior wall
- Entire valleys
- Around penetrations
- Roof-to-wall intersections

ASTM D1970 compliant.

2.03 Underlayment

Synthetic underlayment.

Minimum:

- ASTM D226

- ASTM D4869
- Manufacturer approved

Install over all remaining roof decking.

2.04 Starter Strip

Manufacturer matching starter shingles shall be installed around the complete roof perimeter.

2.05 Ridge Cap

Manufacturer matching ridge cap shingles.

Hand nailed where required by manufacturer.

2.06 Ridge Vent

Continuous shingle-over ridge vent.

Minimum net free ventilation area per manufacturer.

Ventilation shall comply with code requirements.

2.07 Flashings

Provide new:

- Step flashing
- Counter flashing
- Valley flashing
- Pipe flashings
- Chimney flashing
- Wall flashing
- Penetration flashings

Minimum 0.019 aluminum or 26-gauge galvanized steel.

2.08 Drip Edge

Pre-finished aluminum drip edge.

Minimum .019 aluminum.

Installed at all eaves and rakes.

2.09 Fasteners

All fasteners shall be corrosion resistant.

Shingles:

Manufacturer approved roofing nails.

Minimum six (6) nails per shingle where required for high wind installation.

2.10 EPDM Roofing

Provide complete EPDM roofing system consisting of:

60-mil fully adhered EPDM membrane

Manufacturer approved bonding adhesive

Seam tape

Termination bars

Pipe boots

Flashing accessories

Walk pads where required

Approved manufacturers:

- Carlisle
- Firestone
- Mule-Hide

- Johns Manville
- Approved Equal

2.11 Roof Insulation

Minimum 1/2-inch HD polyiso cover board.

Mechanically fastened.

Compressive strength minimum 90 psi.

2.12 Edge Metal

Factory finished aluminum edge metal.

Color: Black (or selected by Owner)

Secure per manufacturer's requirements.

PART 3 – EXECUTION

3.01 Existing Roof Removal

Remove:

- Existing shingles
- Underlayment
- EPDM membrane
- Flashings
- Edge metal
- Ridge vents
- Pipe boots
- Fasteners

Roof shall be stripped to sound decking.

3.02 Deck Inspection

Inspect all decking.

Renail loose decking.

Replace deteriorated decking.

Replacement beyond the bid allowance requires Owner approval.

3.03 Installation

Install roofing strictly in accordance with:

Manufacturer instructions

NRCA recommendations

Applicable ASTM standards

Massachusetts Building Code

3.04 Weather Protection

Contractor shall:

Never leave roof exposed overnight.

Provide temporary waterproofing whenever roofing is removed.

Immediately protect interior from water infiltration.

3.05 Fire Department Operations

Because this is an occupied emergency response facility:

Emergency vehicle access shall remain open at all times.

The Contractor shall coordinate work with the Fire Chief.

No roofing activities shall interfere with emergency response operations.

Staging areas shall be approved by the Town.

3.06 Site Protection

Protect:

Vehicles

HVAC equipment

Landscaping

Walkways

Windows

Exterior finishes

Utilities

Contractor shall repair any damage caused during construction.

3.07 Cleanup

Daily cleanup required.

Remove all debris.

Magnetically sweep all paved areas.

Clean gutters.

Remove nails.

Leave property in broom-clean condition.

3.08 Final Inspection

Prior to final payment:

Manufacturer inspection shall be completed (if required for warranty).

Town inspection shall be completed.

All punch list items shall be corrected.

Warranty documents shall be delivered.

[Wage Rates]

THE COMMONWEALTH OF MASSACHUSETTS
EXECUTIVE OFFICE OF LABOR AND WORKFORCE DEVELOPMENT
DEPARTMENT OF LABOR STANDARDS
Prevailing Wage Rates

MAURA HEALEY
Governor
KIM DRISCOLL
Lt. Governor

As determined by the Director under the provisions of the Massachusetts General Laws, Chapter 149, Sections 26 to 27H

LAUREN JONES
Secretary
MICHAEL FLANAGAN
Director

Awarding Authority:	Bridgewater	**City/Town:**	BRIDGEWATER
Wage Request No:	20260908235813	**Job Location:**	774 Plymouth St, Bridgewater, MA 02324
Description of Work:	The Town of Bridgewater, Massachusetts, herein called the Owner or Awarding Authority, will receive sealed Bids for the project known as Roof at Plymouth St Fire Station.		
Contract Number:			

§§ 26-27D Construction Project

This Prevailing Wage Schedule establishes the minimum wage rates that employees on this public works construction project must be paid. The project's Wage Request Number is listed above and on all pages of this Schedule. This schedule applies **only** to this specific project.

Awarding Authority Responsibilities

- You must include this Prevailing Wage Schedule (PWS) or an appropriate reference to it in all advertisements and calls for bids.
- The PWS must be incorporated in its entirety into all contracts for this project (G.L. c. 149, § 27).
- The wage rates on this PWS will remain in effect for the duration of the project. **Exception:** You must request an updated schedule for any multi-year construction project no later than 2 weeks before the project's yearly anniversary date.
  - For CM AT RISK projects, the anniversary date is the earlier of the signing date of: (a) the GMP Amendment; or (b) the first amendment to permit procurement of construction services.
  - For all other construction projects, the anniversary date is the date the contract was signed by the Awarding Authority and the General Contractor.
- You must also request an updated PWS if you have not opened bids or selected a contractor within 90 days of the date of issuance on this PWS.
  - For CM AT RISK projects, the earlier of (a) the signing date of the GMP Amendment; or (b) the bid for the first construction scope of work must be within 90 days of the date of issuance on this Schedule.
- You must provide any updated PWS to all contractors working on the project, including general and sub-contractors.
- You must keep the contractors' weekly certified payroll records and Statements of Compliance on file for **3 years.**
- Awarding authorities have other prevailing wage responsibilities not listed above. Learn more at: **[Prevailing wage: for awarding authorities | Mass.gov]** and G.L. c. 149, §§ 26-27D.

Contractor Responsibilities

- You must pay all employees who perform construction work on this project at least the wage rate listed on this PWS. **Warning!** If you do not follow this requirement, you can face civil fines, criminal charges, or private lawsuits.
- You must post this PWS at the worksite where it can be easily seen. (G.L. c. 149, § 27)
- You must file weekly payroll reports and a Statement of Compliance with the awarding authority (**not** DLS). You can file payroll reports by mail or email and must keep them on file for 3 years. Each weekly payroll report must include each employees' name, address, occupational classification(s), hours worked, and wages paid. Find a sample report at: mass.gov/dols/pw.
- You cannot pay any employees at the apprentice rates listed on this PWS unless they are registered with the Massachusetts Division of Apprentice Standards (DAS). Qualifying apprentices must be paid at the applicable step rate and must carry their apprentice ID card during all work hours on the project. Apprentices **not** registered with DAS must be paid at the listed journeyworker's rate, even if they are registered with a different federal/state public agency or private entity. For every week in which apprentice rates are paid, a copy of each apprentice's apprentice ID card issued by DAS shall be attached to the certified payroll records.
- If you don't know what classification or rate applies to the work being performed, you must ask DLS; paying the wrong rate subjects you to enforcement.
- Please contact DLS if you have any questions about the Prevailing Wage Schedule: (617) 626-6953 or **DLS.Feedback@mass.gov**

Employees who are **not** paid the wage listed on the Prevailing Wage Schedule (PWS) may file a complaint with the Attorney General's Fair Labor

Division: **www.mass.gov/ago/fld**; **(617) 727-3465.**

Additional Apprentice Information

All apprentices must be registered with the Division of Apprenticeship Training(DAS) in accordance with M.G.L.c. 23, §§ 11E-11L. Minimum wage rates for apprentices employed on public works projects are listed above as a percentage of the hourly prevailing wage rate established by the Commissioner under the provisions of M.G.L.c. 149, §§ 26-27D.

Apprentice ratios are established by DAS pursuant to M.G.L.c. 23, §§ 11E-11L. Ratios are expressed as the allowable number of apprentices to journeymen or fraction thereof, unless otherwise specified. The ratios listed herein have been taken from relevant private collective bargaining agreements(CBAs) and are provided for illustrative purposes only. They have not been independently verified as being accurate or continuing to be accurate.

Parties having questions regarding what ratio to use should contact DAS.

Town of Bridgewater

66 Central Square
Marshfield, MA 02324

Addendum NO. 1
September 24, 2026

To all Bidders on the Project titled:

Roof at Plymouth St Fire Station
Town of Bridgewater

Reference Contract Documents dated September 16, 2026

The attention of bidders submitting proposals for the above subject project is called to the following addendum:

Supplemental Site Information
Attached to this Addendum are an Existing Conditions Plan and an aerial image of the Plymouth Street Fire Station property. These documents are being provided for informational and reference purposes to assist bidders in understanding the existing site conditions and general project area.

The attached Existing Conditions Plan and aerial image shall be considered supplemental information and incorporated into the bid documents as part of this Addendum.

Bidders remain responsible for verifying existing conditions and dimensions as necessary for preparation of their bid.

The items set forth herein, whether of omission, addition, substitution, or clarifications are all to be included in and form a part of the proposal submitted.

Please be reminded to acknowledge this Addendum on the bid forms.

Town of Bridgewater

66 Central Square
Marshfield, MA 02324

Addendum NO. 2
September 29, 2026

To all Bidders on the Project titled:

Roof at Plymouth St Fire Station
Town of Bridgewater

Reference Contract Documents dated September 16, 2026

The attention of bidders submitting proposals for the above subject project is called to the following addendum:

1. **Gutters and downspouts: The original scope of work did not specifically include gutters and downspouts; however, the addendum includes measurements for the gutters and downspouts. Should the roofing estimates include the replacement of the gutters and downspouts?**

   Answer: Yes. Bidders shall include replacement of the gutters and downspouts in their roofing estimates using the measurements provided.

2. **Lightning rods: How should the lightning rods be handled? Should the roofer be responsible for removing and reinstalling them, or should they be responsible for having a qualified company inspect and verify that they are properly wired after the roofing work is completed?**

   Answer: The roofing contractor shall remove and reinstall the lightning rods as part of the roofing work. After installation is complete, the Town will arrange for a separate qualified contractor to inspect the lightning protection system and verify that it has been properly installed and is functioning correctly.

Please be reminded to acknowledge this Addendum on the bid forms.

--- End of Addendum No. 2 ---

Town of Bridgewater

66 Central Square
Marshfield, MA 02324

Addendum NO. 3
October 2, 2026

To all Bidders on the Project titled:

Roof at Plymouth St Fire Station
Town of Bridgewater

Reference Contract Documents dated September 16, 2026

The attention of bidders submitting proposals for the above subject project is called to the following addendum:

1. **Clarification regarding the Roof Warranty and EPDM System:**

   The Town **is requiring** a 30 year warranty including an EPDM System.

   Section 0090 Specifications #7 bullet #2 will be:

   - Minimum ~~60~~ **90 mil** fully adhered EPDM membrane.

Please be reminded to acknowledge this Addendum on the bid forms.

--- End of Addendum No. 3 ---
