

How to Navigate the FY2026 Budget PDF with Linked Table of Contents

To make it easier for you to access specific sections of the budget document, we've included a linked Table of Contents (TOC). Here's how to use it:

- **Accessing Sections:** Simply click on the page number in the Table of Contents to be taken directly to that section of the document.
- **Returning to the TOC:** If you want to go back to the Table of Contents from any section, just click the button at the bottom of each page that says, "Table of Contents." This will quickly bring you back to the main menu of the document.

This feature makes navigating the budget more efficient, allowing you to find the information you need with ease!
