25 South Street Water Supply Division

Bridgewater, MA 02324

OFFICIAL NOTICE: HYDRANT FLUSHING PROGRAM

The Bridgewater Water Supply Division will continue our hydrant flushing program April 28th. This is necessary to maintain water quality, infrastructure and ensure fire protection.

SCHEDULE AND OPERATIONS

- **Duration:** Approximately one week for service area.
- **Service Hours:** Tuesday - Friday, 6pm-11pm
- **Conditions:** All work is weather permitting.

RESIDENT ADVISORY During active flushing hours, residents may experience a temporary decrease in water pressure and/or water discoloration. Please plan household activities, such as laundry and dishwashing, accordingly.

If water discoloration persists after the nightly flushing, please run a cold water tap until the water runs clear.

SERVICE AREAS The following locations, including all associated subdivisions and side streets, will be flushed in the order listed below. High-visibility signage will be placed in active areas to notify residents. We will update on other flushing areas as we progress through the system.

1. Flagg Street
2. Water Street
3. Plymouth Street
4. Hayward Street
5. High Street
6. Broad Street

CONTACT INFORMATION The Water Supply Division appreciates your patience as we complete this essential infrastructure maintenance. If you have any questions or concerns, please contact Bridgewater Water Supply at **508-697-0910**.
